## BUNGA MEGA

known as a life coach, speaker & author.

She loves to share important values in simple ways to understanding the purpose of life, love, relationship, marriage & family.

Through website, podcast and social media, she offers education and help people in the format of online course, coaching & counseling which she believes would help you grow better as person, lover and parent.

She is also more than happy to share her struggle as a child-abuse survivor, her journey to healing the wounded heart, claiming her victory over-worried, anxiety, and trauma to live the fullest life as a woman, wife, and mother.
